Colorado Leader Discusses the Labor Leader Willing to Debate Labor Question. *

DENIES STRIKE STORY READY TO TALK ANYWHERE

SAYS SYMPATHETIC MOVEMENT ADDRESS TO THE UNION MEN OF IS NOT CONSIDERED.

bers of organized labor unions in the

showing that such organizations existed in a meager degree long before the business community as so, of the American body le Whatever is done, we take any step backward with upon the certain rendard coin of every circulated coin of a struggle between capital and labor. In the United States the working man has lost his individual coin of labor. In the United States the working man has lost his individual coin of labor. In the United States the working man has lost his individual coin of labor. In the United States the working man was coin on the struggle though, has been going on in earnest for about a find on the every coincid coin on the struggle though, has been going on in earnest for about a find coin of a s

the labor federations, but that the success with which the effort had met was plainly evinced by the marching army of from 3,000,000 to 5,000,000 working men and women who had marched shoulder to shoulder today in the various cities of duty, the achievement of rether that his working. A recent writer y said: "After all, the saddest et can happen to a man is to burdens. To be bent under too had is bad; to be crushed by it is course of evolution, from strictly forces on the industrial field to wield a mighty influence in the political field and will change the present system of industrial fields in the success with which the effort had met was plainly evinced by the marching army of from 3,000,000 to 5,000,000 working men and women who had marched shoulder to shoulder to shoulder to a should

sion of the respective merits of the ma-chinery for manufacturing and went on to show you it was as hard if not harder for the laboring man to enjoy the comforts of life than it was many

rights when asking for a 9-hour day and the only fault that he had to find with them was that they did not ask with the civilian. To win success in the usiness world, to become a first-class mechanic, a successful farmer, an able to eight, and so be on an equal extraction and so best energy and power through long years to the achievement of his ends. So it is in the life of the neather through long years to the achievement of his ends. So it is in the life of the nation rest. The man or woman who as bread-winner and home-mak'r, or as wife and mother, has done all that he or she can do, patiently and uncomplaintingly, is to be honored; and is to be envied by all those who have never had the good fortune to feel the need and duty of doing such work. The woman who has borne, and who has reared as they should be reared, a family of children, has in the most emphatic manner deserved well of the republic. Her burden has been heavy and she has been able to bear it worthly only by the possession of resolution, of good sense, of conscience and of unselfishness But if she has borne it well, then to her shall come the supreme blessing, for the words of the oldest and greatest of books, "Her children shall rike up and call fler blessed;" and among the ben-factors of the land her place must be with those who have done the best ail the hardest work, whether in public or in the others who labor in the state of Utah. The statements that the others who labor in the state of Utah. The statements that the others who labor in the state of Utah. The statements that the others who labor in the state of Utah. The statements that the others who labor in the state of Utah. The statements that the others who labor in the state of Utah. The statements that the others who labor in the state of Utah. The statements that the others who labor in the state of Utah. The statements that the the offer of the family, year or syrup one egg: have griddle hot, bake most after turning. Get and who has reared as they should be reared, a family of children, has in the most one produced the country claiming that in that year of the produced that the order of the

In closing the speaker said, "Government is organized for the welfare of the people and has the right to change any system or law to that end. We see this feature carried out every day in regard to public health, etc. Government throws restriction around most everything which is done, erection of buildings, titles to land, locations of saughter houses and other deleterious institutions, but how insignificant to the general welfare are these to the the general welfare are these to the great blessings which would exist by god of justice would reigns in place of the almighty dollar."

PLUNGED OVER EMBANKMENT

Four Motorcycle Riders Severely In-.. jured at Manhattan Beach.

jured at Manhattan Beach.

New York, Sept. 7.—Four men were seriously injured this afternoon during neighbors, while going at the Manhattan beach track. They plunged over the track while going at a terrific pace.

They were Alexander Dufrayne of Elizabeth, N. J., who was badly hruised and is believed to have sustained internal injuries; N. T. Barmard of Hartmann and the serious of Newark, head cut and is thought to have been internally injured.

Regulard was the first to full said

and each for all. There must be ever present in our minds the fundamental truth that in a republic such as ours the fully safety is to stand neither for nor against any man because he is rich of because he is poor, because he is engaged in one occupation or another, because he works with his hands. We must treat each man on his worth and merits as a man. We must see that each is given a square deal, because he is entitled to no more and should receive no less. Finally we must keep ever in mind that a republic such as ours can exist only in virtue of the orderly liberty which comes through the equal domination of the law over all men alike, and through its advantage in a short of have been interpally injured.

Generally was the first to fall, going over the track. Later he claimed that the rider ahead, whose, name cannot be learned, forced him off the track. Unnerved by Barnard's plunge and by the shout of horror which arose from the crowded grandstands, the three other riders followed within a few seconds. They were picked up, bleeding and unconscious.

GIVE PLACE TO CHINESE.

Honolulu, Sept. 7 (7:35 a. m.)—The Inter Island Steamship company has discharged its white firemen and oilers and substituted Chinese in their stead. Representatives of the union in

stead. Representatives of the union in this city have appealed to the Pacific coast unions to refuse to handle freight carried on coastbound vessels which is loaded on the vessels here from the company.

DIED OF HIS INJURIES.

Bloomington, Ills., Sept. 7.-Fireman Chester C. Keltner of Bloomington, the chester C. Keither of Bioomington, the second victim of the explosion of the locomotive on the Chicago & Alton at Greenview Sunday morning, died this morning at the Jacksonville hospital, having been horribly scalded and oth-Boys' suit sale for school opening.

GOMPERS HITS AT PARK CITY PARRY A CRACK

With Manufacturer. -

Park City, Utah, Sept. 7.-This morn- Samuel Gompers of the American ing the various labor organizations of Federation of Labor in his Labor day he town participated in a great streat address to 15,000 persons this afterparade, there being about 1,600 mem- noon at the fair grounds, said in part: procession, which was headed by the Park City Military band.

Immediate's after the procession the crowd assembled near the Morsac mill, where a stand had been erected and a short programme repdered. J. P. Langford, president of the Miners union, in a neat opening address well-comed the assemblage in the name of union, in a neat opening address wellcomed the assemblage in the name of
the organized labor of Park City and
in a few well-chosen remarks introduced David C. Coates, ex-lieutenant
governor of Colorado, as speaker of the
day.

Mr. Coates opened his speach with
a history of the organization of labor,
showing that such organizations existed in a meager degree long before the
time of Christ and that from time immemorial there has been more or less

"Organized labor has no feeling against Mr. Parry. It has no designs against his life, his children or the safety of his property. He is as safe from labor as is President Roosevelt." Willing to Debate.

on the seems to arrive at any goal the reaching in the seems to arrive at any goal the reaching in this world who some to it heavy laden."

To mour own experience each knows that this is true. From our own experience each knows that this is true. From a seem to the smallest, happiness siness are largely found in the and the joy of life is won in and truest sense only by those not shirked life's burdens. The and are those who, in the iron in dare those who, in the iron in dare those who, in the iron in the area those who, in the iron in the respective merits of the many of the goal that it is true. The same those who, in the iron in the control of saving the Union, not choose the easy task. They into the defident duty, Delb
To many words and prosperity until the brotherhood of man, but the brotherhood of man, will be the underlying principle of the world.

From a government statistical report movement, not necessarily before a great public gathering, although I will do that if it pleases him, but I am willing to meet him in debate before any select. I will meet him before the Indianapolis Ministerial association or that of any other city in America. I challenge him in the launched into a lengthy discussion of the respective merits of the ma-Ministerial association or the Manufacturers' association or that of any other city in America. I challenge him to submit the report that he prepared for the last convention at New Or-leans, to the next convention of the ional Manufacturers' association wil not be committed to such an unjus fiable and unreasonable attack on o ganized labor."
